

Phoenix Astronomical Society, Inc.

PHOENIX, ARIZONA

Next meeting: Saturday, May 17, 1980 - 4:00 P.M. to ??? Picnic and Star Party at McDowell Mountain Park. After a total washout by a storm in March, we will give it another try, weather permitting.

Location: Drive North on Scottsdale Road to Pinnacle Peak Road and turn East. McDowell Mountain Park is approximately 7 miles East of Pinnacle Peak Patio Steak House - watch for P. A. S. sign. Bring Telescopes, warm clothing just in case, folding chairs, etc. Picnic tables are at the site.

The club will provide hot dogs, potato chips, cookies, and soft drinks. For other meal items, bring whatever you wish, with your own silverware.

To help us plan food quantities, if you plan to attend, please call Bruce Lanard at 952-1151 or Chuck Nash at 242-1581 evenings, before next Friday and let us know how many will be in attendance. No very small children, please.

At the April meeting the nominated slate of officers and non-officer directors was elected unanimously, as follows:

Bruce Lanard, President
Steve Coe, Vice President
Chuck Nash, Secretary - Treasurer
Roger Holt, Director
Jerry Maurer, Director

Those who did not attend the April meeting missed a great display of the newly purchased projector and slides of the Viking, Mariner, Voyager, and Pioneer missions to Mercury, Venus, Mars, Jupiter, and Saturn.
