Astronomy Fans, YOU are invited to a FREE Lecture

Phoenix, AZ: [The Phoenix Astronomical Society](#) is proud to announce the upcoming lecture on Thursday December 7th, at 7:00 p.m.

Mountain Standard Time by Dr. David Williams the topic will be:

Back to the Moon!! An Update on Lunar Exploration

Dr. David A. Williams is a Research Professor for the School of Earth and Space Exploration at Arizona State University, Tempe, Arizona. He was involved with NASA's Magellan Mission to Venus, Galileo Mission to Jupiter, Dawn Mission to asteroid Vesta and dwarf planet Ceres, and ESA's Mars Express orbiter. He is currently Deputy Imager Lead on NASA's Psyche Mission.

Join Professor David Williams of Arizona State University's School of Earth and Space Exploration for a look back at past lunar exploration, and a look forward to upcoming robotic and human exploration of our nearest planetary neighbor. Dr. Williams will also update us on the status of the NASA Psyche mission.

This lecture is part of PAS' monthly hybrid lecture series, in-person as well as online. Details of the event including location, additional information, as well as registration may be found at [PAS Event Calendar and Registration Site](#)

All PAS events are free to attend but require registration.
