Phoenix Astronomical Society

FOR IMMEDIATE RELEASE

Phoenix: The Phoenix Astronomical Society (PAS) has announced a new location for its upcoming annual events at Paradise Valley Community College. For the upcoming school year starting immediately, all of the PAS events will be held in Building Q room 120A. This is the former Maricopa County Library, 17811 North 32nd Street, Phoenix.

To review the annual event schedule: [PAS Event Schedule](#)

The **Phoenix Astronomical Society** is a 501(c)(3) registered Public Charity. Donations and gifts are tax deductible.

Our members are amateur and professional astronomers, teachers, learners, oldsters, and youngsters exploring the universe together, bringing astronomy outreach and education to the greater Phoenix area. Founded in 1948, we are interested in telescopes, binoculars, astrophotography, planetaria, astronautics, sky lore, astrogeology, NASA, celestial navigation, and all astronomy-related topics.
